

SMART Marketing Seminar

Why it's important for you to attend? Look at just a few of the facts...

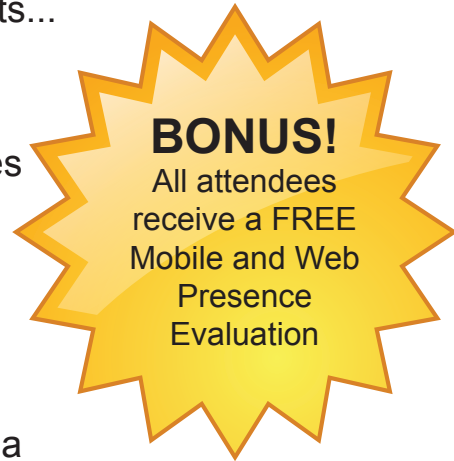

In recent surveys of mobile phone users:

50% of all Google searches are now performed on mobile devices

95% have used their phone to search for local information

50% of mobile searches result in a purchase

57% would not recommend a business with a bad mobile site

Mobile marketing will be as important to your business as having a strong web presence is today. The Fortune 500 companies are making the move, and you can too! This seminar will show you how you can leverage this exciting, emerging and important platform to position your company for growth.
